SUB: NEW SCHEME OF ASSESSMENT CLASSES 3 TO 7: DAVCAE

Dear Sir/Madam,

With the advent of NEP 2020, assessment has come a long way from 'Assessment OF learning' to 'Assessment FOR learning & Assessment AS learning'. We are now experiencing a paradigm shift from 'content-based' assessment to 'competency-based' assessment. This paradigm shift calls for a 'competency-attainment' mind-set versus 'syllabus-completion' mind-set. Incorporating the guidelines of NEP 2020, DAVCAE prescribes whole-hearted adoption of Competency Based Education, Problem Based Learning, inquiry-driven, integrated, child-centric, experiential and art-integrated approach to learning.

Consequently, sensing the need to redesign teaching-learning processes and assessment scheme for classes 3 to 7, DAVCAE has created a comprehensive layout for assessment (and report card design) titled "NEW SCHEME OF ASSESSMENT - CLASSES 3 TO 7", in accordance with the principles laid down by NEP 2020 for classes 3 to 7. Setting up a comprehensive system of measurement and improvement of learning outcomes at the formative stage will mean a remarkable improvement in student competency in just a few years.

The Scheme of Assessment Booklet is being sent to you @ 8 copies per school. You are requested to handover the specified number of copies to school under your jurisdiction at the earliest.

I hope that the schools will adopt this new scheme enthusiastically and we will be able to see a considerable positive change in the learning standards of our students within a few years.

Kindly acknowledge the receipt of the same.

With kind regards

Yours sincerely
