Sub: E-books of In-house Designed Textbooks

Dear Principal

You are aware that the DAV Centre for Academic Excellence has designed and prescribed the in-house designed textbooks for DAV Schools. These textbooks are based on the guidelines given by the NCERT and constitute the major part of Instructional Package for Classes-LKG to VIII.

It has come to our notice that a few schools and parents are asking for the E-books of these textbooks. We know that E-books are the digital files that can be distributed through the medium of Internet. Since DAVCMC prints all its textbooks every year and supplies them in a hard copy format to DAV Schools so, it is clearly mentioned that we do not have any provision of distributing or selling E-books of our in-house designed textbooks. In addition to the same, we also **do not encourage** schools the practice of scanning a complete textbook into a PDF format and then use it for the Smart boards in the classroom teaching.

As such, it is desired that all DAV Schools must encourage the use of textbooks supplied to them in their physical or hard copy format only.

This is for your information please.

With regards

Yours sincerely
