Sub: Extra Instructional Material

Dear Regional Officer/Principal

You are aware that DAV Centre for Academic Excellence (DAVCAE), a wing of DAVCMC, is continuously engaged in bringing quality in education in all DAV Schools. It has prepared and designed the Curriculum and Instructional Material packages for Classes-LKG to VIII which help to make the -

- students learn through activity-based methodology.
- teaching-learning process not only interesting but participative too.

DAVCAE is focussed to reduce the burden of a child under the Early Education Development Programme (EEDP). It has designed the textbooks for Classes-LKG to VIII based on the Minimum Levels of Learning (MLL) as given by the NCERT. Along with textbooks, it encourages the schools to use the in-house designed instructional material, like Curriculum Guidelines, Manuals, Educational Kits, Audio and Multimedia Contents, etc.

Recently, it has been brought to our notice that a few DAV Schools are subscribing to different magazines of private publishers, which are more like activity books. Not only these, they are asking students to purchase various game-items/kits, which are very expensive and do not cater to their level.

Since all such material cause an extra burden on the minds and pockets of students and parents respectively, it is therefore, directed that the schools must-

1. **discontinue** their circulation amongst the students and keep a copy/sample of such items only for their library reference.
2. **follow** all the packages for Classes-LKG to VIII designed by DAVCAE as they are complete in themselves.

This is for your information and strict compliance please.

With regards

Yours sincerely
