Date: 10/08/2017

Dr.(Mrs.)Nisha Peshin
Director(Academics)

Dear Principal,

This has reference to ICT Olympiad to be conducted in the month of September, 2017.

We have received various concerns from schools, regarding ICT Olympiad . It may be noted, that Olympiad is not an annual qualifying exam, conducted at the end of the academic year. The objective of conducting Olympiad is to find Wiz-kid i.e. a child who has the knowledge in the subject concerned, over and above what is taught in the classroom as per prescribed syllabus or text book.

We may further like to clarify, that ICT Olympiad will have questions from Computer Science subject only, and will NOT have questions of Maths and Science. There are separate Olympiads for these subjects.

Schools are suggested to conduct orientation program for all stake holders including parents regarding the concept and importance of Olympiad . However, on popular demand we are extending Registration Date till **25th August, 2017.**

Kindly note the syllabus is already on the portal and it may be shared with the students. The schools which are till primary may call on phone no. 011-23503500 (Extn. 302, 233) for the purpose of registration

Thanking you,

Yours sincerely
