**Director (Academics-CAE)**

**Subject: Change in Value Education Textbooks for Classes I to VIII**

**Dear Principals,**

This is to inform you that the **textbooks for Value Education for all classes from Grades 1 to 8** have been **revised and published**. The books are available in both **Hindi and English** versions. The *Value Education* question paper for Grade VIII in the current academic session (2025-26) will be strictly based on the **new textbooks and updated syllabus**.

It has come to our notice that some schools are still referring to the **old Value Education textbooks**. All schools are therefore instructed to ensure that the **revised books are being referred to and taught** in classrooms during the **current session**.

If your institution is still using the old textbooks, you are directed to take **immediate steps** to transition to the new ones.

Please contact the **Publication Division** at the earliest to procure the updated textbooks and relevant teaching materials.

Your prompt action in this matter will ensure that students are well-prepared and aligned with the updated curriculum.

**Thank you for your attention and cooperation.**
