**Subject: Capacity Building program (offline) of Master Trainers of EEDP 1(LKG UKG) in May 2022**

Dear Sir/Madam,

With its focus on experiential learning, critical thinking and preparing students for 21<sup>st</sup> century skills, the NEP2020 is a welcome departure from entrenched thinking about education and path breaking step in the right direction. It is heartening to see EEDP 1992 is clearly acknowledging the space that is already been followed since 1992 by us focusing on the foundation stage (from LKG to II). To connect the dots, DAVCAE announces a three days Master Trainer Program in the month of May 2022 for the EEDP 1(LKG UKG) teachers.

Main objective of designing Master Trainer Programs is to equip them with the skills and provide inputs to enable them to design and conduct learner based capacity building programs for teachers at their end/clusters.
