Subject: Capacity Building Program of Master Trainers in ICT (Computer) for Primary Classes

Training Coordinates
DAV Public Schools

Dear Sir/Madam,

It is a technological era and teaching/learning is incomplete without the proper and effective use of technology in classroom. To strengthen our ICT (Computer teachers) DAVCAE announces a 3 days Master Trainer Program in the month of July, 2018 for the primary school teachers.

Tentative Programme Dates

Kindly note that two master trainer programs for Primary School teachers of Information and Communication Technology will be organized in the month of July, 2018. For working convenience and to accommodate more MTs we have created two groups. In first program (group I) all MTs who attended the Capacity building program in 2017 should be sent. However, if the MT sent earlier is unable to perform and need to be replaced then that MT should not be sent. This decision is solely to be taken at the cluster level. In group II (second group) all new MTs should be sent, for group II please identify the new MTs and register them. Thus second group may have MTs from new cluster which were added recently or from a bigger cluster that wish to add more MTs.

It may be noted that

- All clusters with six or less than six schools under it will send one teacher only.
- Clusters with more than six and upto ten schools under it will send two teachers.
- All cluster with more than ten schools will send three teachers.

Please ensure that wherever more than one teacher is nominated from a cluster then both or all the teachers nominated should not be from same school.

Please also refer to the lists attached for group I & II.

MTP for Primary: Group I : 18th, 19th and 20th July, 2018
Group II : 25th, 26th and 27th July, 2018
