

**Dear Friends (Senior Secondary Teachers)**

Given below is a link of Lecture Series for complete syllabus of class 12th (Mathematics), which has been very kindly, shared by Mr. Lalit, one of the trainers, who trains our Master Trainers across the country. In this lecture series, each chapter is covered in to 5-6 videos of 50-55 minutes each containing all the important concepts and questions in detail. Around 100 lectures are available in this series, absolutely free for everyone.... Anyone can register and watch these lectures.

For this no referral code is required, just login with your face book /mail and get the access of it. Please take the advantage of this facility to prepare your lessons to share with students. On behalf of all my teachers, I am grateful to Mr. Lalit for providing his resources.
